Editorial

Dear Members,

In this edition of Country Vibes, I am glad to get an opportunity to refresh Members on a few rules and practices that ensure a warm and harmonious club environment.

Our Club, Our Code

At Limuru Country Club, our traditions - courtesy, respect, inclusion and camaraderie are what make the club our home away from home. As we continue to grow, it is important that every member, old and new, understands and upholds the values that keep our community strong.

1. Junior Membership

Our young family members are the future of LCC. Parents are encouraged to register their children, aged between 18 and 24, under the Junior Membership category. This is an invitation and opportunity for the next generation to carry on the club's proud heritage. Forms are available at the Membership Office, and we're always happy to guide you through the process.

2. Club Etiquette

The way we conduct ourselves, show respect to our staff, take care of our golf course and environment demonstrates our pride and commitment to the highest levels of etiquette. The Tent is our current clubhouse. Let's continue to uphold the standards that make our club welcoming and enjoyable for everyone. Kindly refrain from using phones, uphold the required dress code, and do not smoke in the Tent.

When hosting guests, please notify the Membership Office in advance and remember to accompany them personally. Guests may be signed in once a month, and a registration book is available for this purpose. A little courtesy goes a long way in preserving the warmth and exclusivity that defines Limuru Country Club.

3. Membership Balloting

Becoming a member of LCC is a privilege built on trust, connection and familiarity. To propose a new member, you must have known them for at least a year and have been a member yourself for more than a year. Both the proposer and seconder must be members in good standing. After the application process, potential members go through balloting and are listed on the General Membership Board for eight weeks for review by the wider membership.

We welcome your feedback (positive or otherwise) on new members. You can reach any committee member, the Membership Office, or write to membership@limurucountryclub.co.ke to share your feedback. Limuru Country Club's strength lies in its people. Let's keep nurturing a club of integrity, friendship, and excellence.

As always, thank you for being an active member of this club. Your participation in club activities continues to make Limuru Country Club a place we're all proud to call home.

Warm regards,

Geoffrey Githinji

Vice Chairman, Limuru Country Club

Hakeem Swings Kenya's Flag at Pinehurst!

Meet Hakeem Mutungi , Limuru's cheerful 9-year-old golf star who's already taking on the world! From starting golf at just 5 years old to training under Coach Nancy Wairimu, Hakeem has been on a fast rise through the junior ranks.

After shining on the NCBA U.S. Kids Local Tour, Hakeem earned his ticket to the U.S. Kids Golf World Championship 2025 in Pinehurst, USA , every junior golfer's dream stage.

And what a debut! Over three days, Hakeem shot rounds of 75, 75, and 77, finishing T47 out of 123 players worldwide in the Boys 9 category. Solid golf, steady nerves, and plenty of Kenyan pride.

When asked about the experience, Hakeem's highlights included: Marching with Team Kenya at the Parade of Nations. Outdriving most of his flight-mates and making new friends like Ryder, Avi, and Gabriel. Learning that precision (especially on the second shot) is the secret sauce to world-class golf.

Off the course, Hakeem still finds time for Wimpy Kid books, F1 karting, basketball, piano, and bike rides. Not bad for someone who also carries the Warriors spirit into junior golf!

What's next? Hakeem is eyeing another Pinehurst run at 11, a spot in the Kenya Junior Golf Team, and eventually the Magical Kenya Open. Big dreams, bigger drive.

For now, Limuru Country Club couldn't be prouder — keep swinging, champ!

Splashes of Joy at the Pool Launch!

The wait is over!

Our swimming pool and changing rooms got a full glow-up, officially unveiled on Saturday, 13th September 2025.

Here's what's new:

A modern heating system from Davis & Shirtliff so even chilly Limuru days can't stop your swim.

A shiny new pool cover for cleaner, safer waters.

Upgraded plumbing and maintenance for top performance.

Fresh paint at the kids' changing rooms courtesy of Crown Paints for that bright, welcoming finish.

The launch was pure vibes! Jaza's sound, DJ Tony's playlist (the kids went wild for K-pop), and Kentaste's chocolate coconut chips made it a day to remember.

Big applause to the Gymkhana Committee led by Director Kyle, and the HR & Projects Committee for turning this idea into reality. And of course, cheers to our amazing sponsors and members for making a splash with us!

Faces of LCC:

Meet John Mwangi

If you've ever teed off on a perfectly prepped fairway at LCC, you might just have John Mwangi to thank. He's been part of the crew since way back in 2000, that's 25 years of keeping our course looking sharp.

John started out as a trimmer operator, leveled up to tractor operator, and today he's the master of the gang mower and gyromower. And because he clearly never runs out of energy, he now also handles pin placement at sunrise and collection at sunset. Talk about full circle!

The Golf Course team salutes John for his dedication, reliability, and the kind of quiet consistency that makes him one of the unsung MVPs of LCC. Next time you see those crisp greens, know John's fingerprints (or at least his tire tracks!) are all over them.

MXCE Club Night + June Mug = Double the Fun!

On 3RD September, the Membership Experience & Community Engagement Committee made their grand debut and what an entrance it was! This fresh team is here to champion CSR, roll out a sustainability plan, partner with the community, and most importantly make sure your voices are heard loud and clear.

The night buzzed with fun activities:

Spin the Wheel by *Hanan Tissue* had members walking away with surprise goodies.

DJ vibes kept the energy high thanks to *Jaza*.

Fresh fruit cuts and juices were served by *Kathy's Fresh*. *Australian Catholic University* kept the prize table exciting.

EABL turned it up with shooters that added extra sparkle to the night.

The committee also shared results from the recent members survey, promising to weave your feedback into upcoming club experiences.

It was also a day of golf glory with the June Monthly Mug taking place:

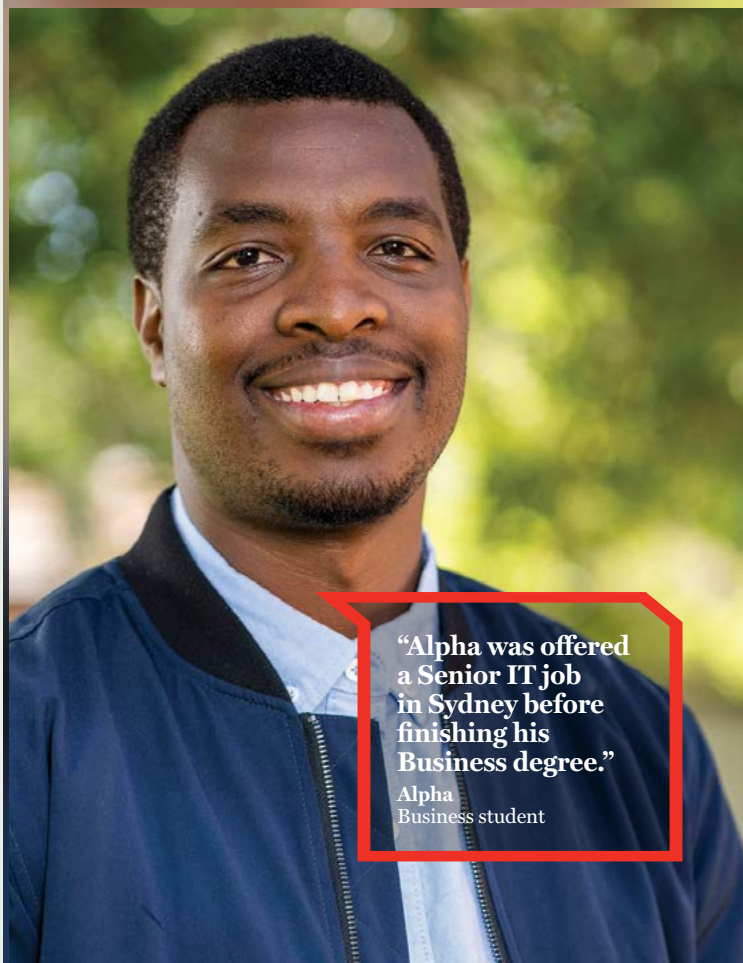

Division A Winner: George Maara

Division B Winner: Lawrence Maina

Division C Winner: David Kitheka

A night filled with winners, music, games and member voices. That is what LCC spirit is all about!

Crown Series Finale

A Colorful Finish!

The 13th and final leg of the Tee Off with *Crown Series* had it all - chilly morning air, hot swings, and fireworks on the fairways.

Joseph Mathenge lit it up with 42 stableford points off a handicap of 12 to take top honors. "Early start, greens in regulation, irons on fire," he summed up his round.

But Crown made sure it wasn't just golf- a fresh splash of color at the gate, a refresh of our clock at the parking, our swimming pool changing rooms and various facilities around the club and finally to their famous Hole 7 challenge... sink a hole in one and bag a 100K paint makeover.

Simba Corp turned heads with the Mahindra Scorpio N, Mbanya Gold Coffee kept players buzzing, and just when you thought the day couldn't get better... boom! A hole in one on No. 5 lit up the course.

The Crown Series signed off in true style- great golf, cool upgrades, hot coffee, dream cars, and memories splashed in color.

Queens of the Greens & Kings of the Fairways:

4BBB Finals 2025

On Saturday, 13TH September 2025, the fairways turned into a stage for pure 4BBB magic.

The Ladies Finals had everyone hooked as J. Sirai & N. Chebet battled C. Ribui & C. Jeptoo in a thrilling contest of birdies and bold putts. After a rollercoaster match, Sirai & Chebet claimed the crown as the 2025 Ladies 4BBB Champions, celebrated with cheers and even a few victory dances on the greens.

Not to be outdone, the Men's Finals served up equal excitement. M. Ibrahim & D. Owino squared off against D. Njonjo & M. Ngaruiya and emerged victorious to take home the men's title.

This year's 4BBB proved to be a true LCC affair . Spirited matches, electric support from members, and champions etched into club history.

Don't just watch the fun next year, sign up and be part of the action. You never know – the next 4BBB crown could be yours!

Sticky Moments – Match Gallery

History made!

On September 13th, 2025, Sticky Wickets celebrated their first-ever set win with cheers, smiles, and plenty of style.

Red, Black & Unforgettable: Nyaboke's Birthday Club Night

Club Night on 17th September was one for the books as Nyaboke Omwansa sponsored the evening in celebration of her birthday on 23rd September.

Members showed up in red and black, enjoying golf, prizes, and plenty of fun. Co-sponsors made it even better with treats like free massages from Baberia Platinum, wines from Joshansen, Alba Yogurt goodies, and InBody tests from Holistic Weight Management.

It was golf, glam, and good vibes all night long. Cheers to Nyaboke and her partners for a truly unforgettable Club Night!

43 Years of Grace, One Big Win for Adah

Saturday 20th September was all about golf, legacy, and celebration! We marked 43 years of Grace Kimeria's golfing journey and service. Adah Munyendo made history with a double win; the September Pendant and the Grace Kimeria Shield. Cheers to *NCBA Insurance* for sponsoring the day and restoring the Shield, lost in the club fire (and yes, their golf insurance covers those cheeky hole-in-one bar bills).

A special day, a double win, and a whole lot of Limuru spirit.

Young & Youthful Golf Tournament – Fresh Swings, Fresh Vibes

Saturday 27TH was all about fresh swings and fresh vibes at Limuru Country Club as Etica Capital headlined the Young & Youthful Golf Tournament. The fun pairs format had the fairways buzzing with teamwork, rivalry, and plenty of laughter. Renaldo D'Souza & F. Njehu swung their way to the top, bagging the overall win.

As the sun dipped, the patio heaters came on, cocktails flowed courtesy of EABL, and Gigiri Bodega's Jaba Juice kept things fresh. Then came the showstoppers – P-Unit on stage and Moonlite Sounds on the decks, turning the night into one big celebration.

Big cheers to Etica Capital and the Young & Youthful crew for making this biannual event a perfect blend of sport, music, and community. From the course to the concert, it was all about the vibe.
